## OUR WEEKLY FOCUS

### HOW TO HAVE A HAPPY NEW YEAR

I am positive that everyone reading this article wants to have a happy new year. We have a natural tendency to pursue happiness sometimes we look for happiness in the wrong places. Happiness is not to be found in sinful pleasures such drinking, drugs, etc; neither is happiness found in money or material possessions. These things may create an illusion of happiness but in the end they do not offer true satisfaction and fulfillment.

True happiness comes from being in Christ. When one is baptized into Christ (Gal3:27), he is a new creature (II Corinthians 5:17). All past sins are forgiven, washed away in the blood of Christ. Now, free from the burden of guilt, the Christian can “rejoice in the Lord” (Philippians 4:4).

True happiness is learning to conquer anxiety (Philippians 4:4-7). Christians should pray to God about their worries, cares, and fears. The Lord is always “at hand” and He will provide the peace that passes all understanding.

True happiness is thinking the right thoughts (Phil. 4:8). If we dwell on things of the past, crime in our society, how someone has mistreated us, etc. We will develop a negative, pessimistic attitude. If, however, we meditate on the love of god, the joy of salvation, the hope of heaven, and pleasant things in general, this will go a long way toward true happiness.

True happiness is living with a clean conscience (Romans 14:22). Nothing will steal our happiness faster than a guilty conscience. The Christian lives with a clean conscience as he confesses sins to God, ( I John 1:9), and trusts in God’s forgiveness.

True happiness is living a simple godly life (Ps.1:28), The people I know who are the happiest are those who fear the Lord and walk in His ways; those who love to spend time with family; those who stay busy doing something worthwhile; those who live the simple life. Following these principles will help us all to have a happy new year.
